Dr. Bipul Ch. Sarkar  
Associate Professor  
Dept. of Geography  
A.C. College

**Subject:** Invited Lecture on '*Essence of Digital Cartography in Geographical Studies*'

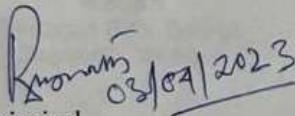

Sir,

On behalf of the Department of Geography at Dhupguri Girls' College, with great pleasure, I would like to send a formal invitation to you to deliver an invited talk to our students.

We are organizing a special session on '*Essence of Digital Cartography in Geographical Studies*' scheduled for **4<sup>th</sup> April, 2023 at 11:30 AM to 1:30 PM** in our college premises. The session aims to enrich the knowledge of our students and others as well. Your expertise and insights into the topic would provide invaluable perspectives to the discourse and significantly benefit our students.

We would be honoured if you could take time out of your busy schedule to join us for this academic endeavour.

Warm regards,

  
03/04/2023

## Programme Report on the invited talk

### Event Overview:

A special session titled "*Essence of Digital Cartography in Geographical Studies*" was conducted on 4th April 2023 at 11:30 AM at Dhupguri Girls' College. The lecture was delivered by the esteemed Dr. Bipul Ch. Sarkar, who is renowned for his extensive knowledge and expertise in the field of digital cartography.

### Objective:

The primary goal of the session was to provide the students with a comprehensive understanding of how digital cartography plays a crucial role in geographical studies. The event aimed to enhance students' knowledge and skills in utilizing digital tools for mapping and spatial analysis.

### Attendees:

The session was well-received, with a **total attendance of 30 students**. The audience comprised mainly geography majors and enthusiasts who were eager to learn about the integration of technology in geographical methodologies.

### Session Content:

Dr. Sarkar began the session with an introduction to the basics of digital cartography, explaining its importance in the modern world. He highlighted the advancements in GIS technology and its impact on data collection, analysis, and interpretation in geographical studies. Throughout the lecture, Dr. Sarkar engaged with the students through

interactive discussions and practical examples. He demonstrated various digital mapping tools and software, showing how they can be effectively used in both academic research and real-world applications.

### **Key Highlights:**

- An overview of GIS technology and its applications in geography.
- Live demonstrations of digital mapping software.
- Discussion on the future of digital cartography and its potential developments.

### **Feedback:**

The feedback from the attendees was overwhelmingly positive. Students appreciated the opportunity to interact with an expert in the field and found the demonstrations particularly insightful. Many expressed their interest in further exploring the tools and techniques discussed during the session.

### **Conclusion:**

The session on '*Essence of Digital Cartography in Geographical Studies*' was a significant educational event that successfully enhanced the students' understanding and sparked their interest in digital cartography. Dr. Sarkar's expertise and the practical insights provided during the lecture were invaluable to the students at Dhupguri Girls' College. The college looks forward to organizing similar sessions in the future to keep nurturing the skills and knowledge of its students in contemporary geographical practices.

**Total Student Present: 30**
